Strengthen capacity of people to mobilise, protect and defend democracy while challenging discrimination, injustice and demanding inclusive economies and access to equitable public services.

**OUR GOAL**

**STRATEGIC OBJECTIVE 1**
Empower pro-democracy voices and actors to defend democracy, constitutionalism and accountability.

**Context**
* Democratic recession (renewal of liberations movements, constitutional violations, manipulation of elections)
* Systematic restriction of civic and media space
  * High levels of economic inequality
* Widespread public and private sector corruption
* Poor delivery of basic public services—especially health and education to marginalised groups in society
* Discrimination, marginalisation and human rights violations of minorities and other key groups

**OUR TACTICS**

1. Grant-making
2. Building and strengthening movements
3. Learning, Monitoring and Evaluation
4. Research and Advocacy
5. Collaboration

**STRATEGIC OBJECTIVE 2**
Empower marginalised people to fight discrimination and human rights abuse

**STRATEGIC OBJECTIVE 3**
Empower people to challenge inequality, and inequitable delivery of education and health services
